*Promolast Atlanta Reunion Fanfest guest Howard Finkel*

*Promolast: A special thank you and a warm welcome to @howardfinkel as we begin our Twitterview with the #WWE Hall of Famer – hello Howard!*

*howardfinkel: @Promolast Hello, and thank you for having me here tonight. It's my pleasure!*

*Promolast: @howardfinkel the pleasure is very much ours! excited to discuss some unique opportunities for fans to interact w/ u at our Atlanta Fanfest!*

*Promolast: @howardfinkel jumping right into things – what do you enjoy most about the fanfest experience?*

*howardfinkel: @Promolast The ability to meet those of you who have supported me through the years. There's nothing like it, and I enjoy doing that!*

*Promolast: @howardfinkel Have you come to expect certain questions from fans who have the opportunity to meet with you?*

*howardfinkel: Not That would be boring. Of course you get the repetitive questions, yes, but the more varied, the more it rattles my brain..all good!*

*Promolast: @howardfinkel we would imagine that requests to hear your legendary introduction must occur pretty regularly!*

*howardfinkel: It definitely does, but more so for the signature "nnneeewwww" when I verbally annoint a title change!*

*Promolast: @howardfinkel well we are excited to present the opportunity for fans to hear that signature voice live and in person at the fanfest!*

*Promolast: Reminder: @howardfinkel will be our special guest for a unique Q&A session at the Fanfest on June 4th, where YOU ask the questions!*

*Promolast: @howardfinkel It would be remiss not to mention that you were a groundbreaker for WWE on Twitter, or should we say, the WWE Twittersverse?*

*howardfinkel: @Promolast And I am so looking forward to being there, especially on June 4 with the Q & A / video promo session scheduled!*

*howardfinkel: Well thanks, but compared to the other WWE Superrstars in Twitterland, I am a drop in the bucket. But I definitely get it on here!*

*Promolast: @howardfinkel What is it re: Twitter that draws u so strongly 2 the social media platform? Any element in particular capture your attention?*

*howardfinkel: From my perspective, the ability to communicate to the masses, say what I want, etc. And it certainly keeps me in the loop with you folks!*

*Promolast: @howardfinkel Does twitter help you stay in touch with current and former WWE superstars?*

*howardfinkel: Not really. I have other ways of communication. But it seems 2 me that today's superstars are far more Twitter savvy then the former ones!*

*Promolast: @howardfinkel w/ Virgil making his return to WWE TV last night, are u excited to see him and any other guests in particular at the Fanfest?*

*howardfinkel: @Promolast I spoke to Virgil this afternoon, told him how happy i was that he was in the WWE element again, and did say I'd see him in ATL!*

*howardfinkel: @Promolast Also am looking forward to seeing my dear friend Chief Jay Strongbow, and quite frankly, all of the great superstars assembled*

*howardfinkel: @Promolast It is a mighty impressive array of greats that have been lined up, and this Fanfast has "Can't miss" written all over it!*

*Promolast: @howardfinkel excited to have many hall of famers at the fanfest, including yourself, Chief Jay Strongbow, "The Million Dollar Man" + more!*

*howardfinkel: @Promolast Also, "Mr. Wonderful" Paul Orndorff, another H of Famer*

*howardfinkel: The lovely Molly Holly, BBooker T, Diamond Dallas Page and Kimberly, Nick Patrick, The Iron Sheik as a vendor guest, and so much more*

**Promolast:** *@howardfinkel Your legendary introductions must be tough on the throat! Do you have any special tricks for keeping your voice sharp?*
